

## Notification of safety-relevant data for the holding of events

The present document is a subject matter of the safety concept for Düsseldorf Congress GmbH (hereinafter referred to as DC). It is provided to the Organiser by DC for exclusive use for its event. Farther-reaching use or handing over to third parties is not permitted.

The data collected via the present document must be treated as confidential, and must only be made available to persons and authorities/bodies directly involved in the event.

The most comprehensive possible recording of all factors influencing the safety of the event will be carried out on the basis of the "**Event data**" deposited as form. The data will be collected in consultation between DC and the respective Organiser. The Organiser is contractually obliged to produce the corresponding information **at the latest 6 weeks prior to the event**, and to forward the data to DC.
